Print Speeds Note:
The print times shown in this brochure are the average time for multiple prints of the same page over one minute. Times are measured from 'Print' command to delivery of the page in the tray. The speeds were achieved using the following system: 1Ghz Pentium III, 128Mb RAM, Windows ME, USB Interface. Print times will vary depending on computer configuration, settings, application, coverage and page complexity.

Super Value and Performance with 2880 Optimised dpi Photo Quality

INK JET PRINTER
EPSON STYLUS™ C43SX/UX

EPSON brings you great performance and value for your home printing needs again! Featuring print speed up to a remarkable 12.0 ppm for black text, and resolution of **2880dpi**, the EPSON Stylus™ C43SX/UX is the indisputable choice for superior print quality and performance at an affordable cost. Ideal for the home user, it is super value quality and speed!

Superior Photo Finish and Crisp Black Text

Equipped with unique "built-in" photo-colour printing capabilities, the EPSON Stylus™ C43SX/UX lets you produce realistic and brilliant photo-quality colours, while saving on expensive optional photo cartridges. Your document printout will achieve stunning result, with sharp and crisp black text that stands out from the rest.

At a notable print resolution of up to **2880 optimised dpi**. You can be sure that every minute detail of your photo is being reproduced faithfully and brilliantly on your home printer.

Bundled with the new EPSON PhotoQuicker 3.4, photo-editing functions like red-eye reduction is now at your fingertips. What's more, EXIF Print is supported, and coupled with EPSON printing technologies from the EPSON Stylus™ C43SX/UX, the printer would be a great complement to your digital camera to produce brilliant photo printouts!
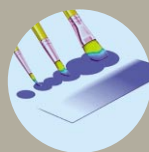

Exif Print

A new red eye reduction in PhotoQuicker 3.4

Amazing Print Speed

Delivering an astonishing 12.0 ppm for black text printing and 5.4 ppm for colour text printing, the EPSON Stylus™ C43SX/UX gives you much more in a shorter time. A combination of faster ink firing frequency and bi-directional printing results in more ink droplets to be placed on paper at a higher speed, creating your perfect print-out in almost no time!
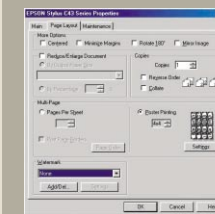

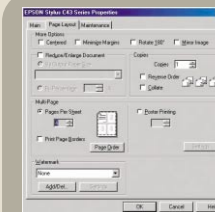

Variable-sized Droplet Technology uses larger dot sizes for solid colours, and smaller dot sizes for gradations and blends.

Intelligent Printer Driver – Easy and Fun Printing

For your ease-of-use, the EPSON Stylus™ C43SX/UX comes with an intelligent printer driver that makes printing efficient, simple, and hassle-free. Leave it all to the printer, or choose to get the printout just the way you like it.

Have some creative fun as well! Surprise your family and friends with colourful greeting cards, flyers, brochures, newsletters, and name cards etc.
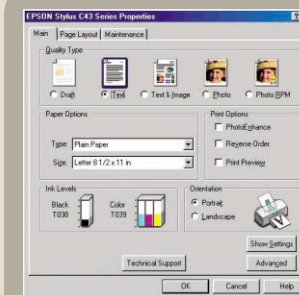

A suite of document management features

Ergonomic and User-Friendly

Designed to be aesthetic and ergonomic, the EPSON Stylus™ C43SX/UX enhances a dull desk top with its contoured look and a cool gray colour tone. A retractable output tray helps you keep your printouts neatly, while a built-in AC adaptor makes the printer even more compact.

The printer is equipped with Intellidge ink cartridges that ensure accurate ink level display, letting you monitor your requirements closely and helping you save on printing costs. To suit your individual computing needs, EPSON Stylus™ C43SX comes with parallel port, while the EPSON Stylus™ C43UX has convenient USB port, for you to easily connect up to PCs or Macintosh® computers.

Interactive labels make printing more intuitive

Super Value for Your Home Printing

The EPSON Stylus™C43SX/UX is the affordable solution for your home printing needs. Not only is it capable of high quality printouts and fast speed, it is simple to understand and easy to use – suitable for the entire family!
