HOME PRINTING WITH STYLE

INK JET PRINTER

# EPSON STYLUS™ C45

## HOME PRINTING WITH STYLE

Quality home printing doesn't come with more style than this. In a sleek new compact design that wows, EPSON Stylus™ C45 brings you equally impressive print resolution of 2880 optimised dpi, and speed of up to 12.0 ppm for black text documents. With a host of enhanced features, the 4-colour inkjet printer is supreme value for the home user.

## Family Printer that Delivers

### Photo Quality at up to 2880 optimised dpi

Equipped with unique "built-in" photo printing capabilities, get used to outstanding photo-lab quality colours with **EPSON PerfectPicture Imaging System**. Enjoy vibrant and lively colours on EPSON Premium Glossy Photo Paper with a newly devised colour reproduction algorithm.

### Quality and Value

Brilliant prints on professional grade **EPSON Premium Glossy Photo Paper** is affordable be it 4R (10x15cm) or A4 size. Equally adept at printing documents, the stylish EPSON Stylus™ C45 produces text prints that are sharp and crisp.

### No Compromises on Speed

Black text printing blazes the trail at up to a terrific **12.0ppm** while colour text printing speeds past at up to **5.4ppm**. Faster ink firing frequency, bi-directional printing and **EPSON's Variable Sized Droplet Technology** optimises print speed, producing printouts in a lesser amount of time.

## Compact Stylish Design

### New Compact and Ergonomic Design

EPSON Stylus™ C45 leaves you more room to work with. Encased in a compact body, the printer enhances the desk top with its aesthetic and modern look. A retractable output tray keeps your printouts neatly, while a built-in AC adaptor gives you more space.

## Fun and Intelligent Printing

### Efficient, Simple and Hassle-Free Printing

Whether printing on plain paper or photo paper, the graphical user interface is easily understandable and controllable. Define your preferences, or just leave everything to the printer.

### Improved Digital Camera Correction

For a clearer print from digital camera images, this feature removes 'noise' from the data to give you prints with brilliant clarity.

## New Features from Bundled Software

### EPSON PhotoQuicker 3.5

Easily print great photos. **EPSON PhotoQuicker 3.5** automatically resizes photographs to the intended size without any need for complicated calculations. It even retouches photograph quickly with a red eye reduction feature. There is also a new function for printouts similar to traditional silver halide photographs.

### Printer for Mobile Phone Camera

Been taking shots with your camera phone? Print them using the **Mobile Phone Print Mode** in PhotoQuicker 3.5 for photo stickers or index sheets to share with friends.

### Digital Camera Solution

EPSON PhotoQuicker also optimises prints from a **PIM II / Exif Print** enabled camera. Truly brilliant prints made easy.

### Fun with Imagination and Creativity

The printer driver comes with one-click **PhotoEnhance 4** to create special effects like monochrome printing, sepia printing, parchment etc for a unique photograph. For your home projects, there's a suite of functions like print preview, N-up printing and poster printing. Impress at school presentations with personally designed and printed posters.

### Frames for Print Images

Decorate photographs with frames, print in an album format, or even print photo calendars with the **PRINT Image Framer** feature included in EPSON PhotoQuicker 3.5. New frames are made available periodically in EPSON Photo web-site ([www.epsonphoto.com.sg](http://www.epsonphoto.com.sg)).

### EPSON Web-to-Page

Printing pages from the Internet is now that much simpler. **EPSON Web-to-Page** (Windows only) program optimises page settings on Microsoft Internet Explorer browser 5.5 or later so that most Web pages are printed to conform to the required paper size. Preview and print an intended page with the handy EPSON Web-to-Page toolbar that appears on the browser.

## Versatile and Efficient

### Versatile Ink Usage

**Intelligence ink cartridges** ensure accurate ink level display, letting requirements be monitored closely. For more versatile ink usage and reduced printing costs, change or replace ink cartridges freely.

### Black Ink Save Mode

**Black Ink Save Mode** provides an emergency back-up alternative by operating with the colour cartridges for composite black colour when black ink runs low.

For easy connection to PCs (Windows only), link up with a convenient USB port.

## The Complete Home Printer

EPSON Stylus™ C45 is the affordable printer for your family. It promises great value, splendid performance and style for the home like never before.
