HP Deskjet 6540

Colour Inkjet Printer

Performance, quality and productivity – get it all with the HP Deskjet 6540. You'll enjoy rapid document printing at up to 30 pages per minute (ppm) in black, and 20 ppm in colour[1], as well as professional quality output. Along with productive and innovative features such as automatic two-sided printing and ink-backup printing mode, it's ideal for meeting your high-volume printing needs.

Breakthrough performance on your desktop
The HP Deskjet 6540 delivers superior printing performance with speeds up to 30 ppm in black and 20 ppm in colour[1]. This enables you to get more done in less time, and enhance your office's efficiency.

Professional print quality
- **Up to 4800-optimised dpi[2] in colour**
  4800-optimised dpi[2] mode delivers professional photo quality results every time you print. This mode is especially useful for printing higher resolution source images from digital cameras and scanners.
- **Optional 6-ink colour[3] printing**
  Add an optional HP Photo Inkjet Print Cartridge for enhanced colour reproduction and images that are virtually grainfree – all thanks to HP PhotoREt 4 Colour Layering Technology.

Automatic two-sided printing
The included automatic two-sided printing accessory helps you produce multi-page, double-sided documents without having to manually flip pages over – a great time and money saver.

Lower resolution printout

4800-optimised dpi[2] mode

Optional 6-ink colour[3] for true-to-life photo printing

Produce multi-page two-sided documents easily

Advanced control panel
The easy-to-use control panel enables quick access to commonly used features such as one-touch print quality selector, print cancel button and ink status display.

Convenient laptop printing
Walk-up and conveniently print from your laptop using the printer's additional front USB port.

High-volume printing
With high volume HP Black and Colour Inkjet Print Cartridges and the option to expand total paper capacity to 400 sheets[4], this printer enables you to handle high-volume printing demands with ease.

Print photos with or without borders
Enjoy the versatility of printing photos with or without borders for all standard and custom photo sizes, up to A4-size. You will also be able to print panoramic photos up to 8.5" x 24".

Ink-backup printing mode
Now you can finish your print job even when one cartridge runs out of ink – simply by printing with the other remaining ink cartridge.

HP reliability
An HP Deskjet is both durable and reliable. And this superb reliability is backed by excellent HP service and support. In fact, HP has been awarded an 'A' or 'A+' rating in PC Magazine's Printer Service and Reliability Award for the past 12 consecutive years.

Easy-to-use control panel

Optional 250-sheet plain paper input tray[4]

Prints photos with or without borders up to A4-size

[1] Dependent upon document type and print mode; approximate figures. Exact speeds will vary depending on the system configuration, software program and document complexity.
[2] Up to 4800 x 1200-optimised dpi colour and 1200-input dpi.
[3] 6-ink colour printing available with purchase of HP 99 Photo Inkjet Print Cartridge; not included, sold separately.
[4] With optional HP 250-sheet Plain Paper Tray; not included, sold separately.
