Colour printing made easy

HP Deskjet 3745 Colour Inkjet Printer

The compact and reliable printer for your home.

Whether it's vibrant colour photos or crisp black text, you can have it all. And it's so easy to use. Stop any print job with a single click or print creative projects easily with the bundled software. Now you can enjoy great results every time you print.

Vibrant photo quality

Enjoy vivid colour and detailed printing with 4800-optimised dpi¹. Now you can print great looking photos easily.

Easy to set-up and easy to use

- **Quick set-up** – You'll be able to set-up the printer in minutes with the user-friendly software and buttons.
- **Easy on-screen control** – The on-screen 'print cancel' function lets you stop any print job instantly, helping you save both ink and paper. And with the on-screen ink-level indicator, you'll know exactly when to replace your ink cartridges.

Compact design

This compact printer is perfect for small spaces with its space-saving 80-sheet paper tray. Just fold it up when not in use.

Speed

Print with speed at up to 14 pages per minute (ppm) in laser-quality black text, and up to 10 ppm in colour².

Lower resolution printout

With 4800-optimised dpi¹

Inklevel indicator allows customers to plan ahead

¹ Up to 4800 x 1200-optimised dpi colour and 1200-input dpi.

² Dependent upon document type and print mode; approximate figures. Exact speeds will vary depending on the system configuration, software program and document complexity.

Note: The product picture featured is a representation; actual product may differ slightly.
