# HP Deskjet 3920

## Colour Inkjet Printer

you + hp

## Easy-to-use, compact printer for basic photo and document printing

Versatile, affordable and easy-to-use, this compact printer lets you print everything from laser-quality black text to vibrant photos efficiently.

### Simple to set-up, easy-to-use

Set-up and start printing in minutes with user-friendly software. Operating your printer is also easy with the intuitive on-screen menu. You'll also be able to organise, enhance and edit photos conveniently with the included HP Image Zone Express software.

### Versatile and affordable printing

Enjoy fast printing speeds of up to 14 page per minute (ppm) in laser-quality black and up to 10 ppm in colour[1]. Print a variety of projects including letters, school or work assignments, photos and more. What's more, new HP colour inkjet print cartridges are designed for efficient ink usage. This helps you to save ink.

### Vibrant photo quality

With up to 4800-optimised dpi[2] colour printing, you can produce rich and vivid photos that are sure to impress! Print 4" x 6" borderless[3] photos as well as photos with borders up to A4-size.

### HP reliability

An HP Deskjet is designed to be durable and reliable. This superb reliability is backed by excellent HP service and support. In fact, HP has been awarded an 'A' or 'A+' rating in PC Magazine's Printer Service and Reliability Award for the past 13 consecutive years.

---

**Recommended usage for best results**

**Ideal print volume:**

Moderate – about 50 pages per month

**Ideal for:**

Basic photo printing

Homework

Documents

---

[1] Dependent upon document type and print mode.
[2] Up to 4800 x 1200-optimised dpi colour and 1200-input dpi.
[3] Using 4" x 6" photo paper with tab.
