Power at your fingertips

Get ready for next generation technology with the revolutionary Microsoft® Windows Mobile™ Version 5.0. Retain information even when the device's battery is depleted, with persistent storage. View and create charts in Excel® Mobile, and edit documents with graphics using Word® Mobile. View and rehearse presentations with the new PowerPoint® Mobile application. Enjoy greater productivity with HP iPAQ rx1950 Pocket PC features Windows Mobile™ software integrated multimedia experience!

Free yourself with wireless connectivity

The integrated wireless connection gives you high-speed data connectivity at home, at work and on the go. Surf the web, reply to emails, and stream content to play on the iPAQ rx1950. Or download music libraries, movie collections and vacation photos^{1, 2, 4}. The possibilities are endless!

Optimum storage

Store more programs and files and achieve more productivity with up to 96MB user available memory. The Secure Digital supports SDIO technology such as cameras, Bluetooth cards, scanners, and more^{1, 3}. Further expand your storage capacity with SD and MMC cards to easily transfer or store³.

Stylishly designed for sleeker moves on the go

Think small, dream big. Incredibly sleek yet amazingly powerful, the HP iPAQ rx1950 slips into your pocket and slides into your smallest bags with ease. And at a mere 125g, this device is the perfect complement to your stylish and mobile lifestyle.

Enhanced for extended enjoyment

For continuous power on the road, the battery is rechargeable and removable for easy replacement. The optional 1800 mAh extended battery allows for even longer mobility on the road, keeping you in touch, always³.

Relax and enjoy life with peace of mind

Manage your busy schedule with the Personal Information Manager (PIM). Never miss a single appointment. Organise your calendar. It's your diary and personal organiser all in one! Keep your contacts close to you, all at a touch of your fingertips. Life couldn't be easier!

Fun on the road

Take your music and video with you wherever you go. With Window Media® Player 10 Mobile, you can play your protected digital music and access songs from different online stores. Easily edit, view and share images with family and friends.
