Enjoy exceptional multi-function performance

• Fast printing and copying
At 17 pages per minute[5] (ppm) for black and 12 ppm[5] for colour printing, it provides ample printing performance for your daily printing needs. Copying speeds are excellent too at 17 copies per minute[5] (cpm) for black and 12 cpm[5] for colour.

• One-touch action
Whether you are copying or scanning, you can do it easily and quickly with the 'one-touch action' keys. Designed as a standalone copy station, it's so easy to select paper type and number of copies.

• Crisp black text
With up to 1200 x 1200-rendered dpi black text printing on inkjet paper, every curve and stroke is delivered precisely for truly impressive documents.

• Versatile flatbed copying and scanning
With a versatile flatbed scanner, copying and scanning images from books and magazines is easy. Now you can easily scan old photos easily and make preserve these precious memories.

So easy to create and share
• HP Image Zone photo and imaging software
HP's unique software solution helps you make the most of digital files by providing one set of instructions, icons and menus for printing, scanning and copying functions. Its centralised control lets you view, print, edit and e-mail your digital images. The new image organiser now makes it easier to locate your photos, by grouping and displaying photos that have been uploaded in the same calendar month. And with the new 'project' feature, it's easy to create cards, flyers and photo album pages.

• HP Memories Disc Creator software[6]
Easy to use and intuitive, HP Memories Disc Creator software[6] turns your digital image collection into a multimedia slideshow. Simply burn the complete project onto a CD and it will play on virtually any PC or VCD/DVD player.
