for true versatility

versatile scanning

Now you can scan photos, 35mm negatives and slides as well as 3D objects in the comfort of your home. The easy-to-use Transparent Materials Adaptor (TMA), built into the lid of HP Scanjet 3670, lets you scan 35mm negatives and slides easily. Use HP's 3D scanning technology to scan and save cherished mementos as flexible digital image files which you can then share with friends and family. Documents and articles are also easily converted into text that can be edited using Optical Character Recognition (OCR) software.

impressive photo quality

Documents and photos can be easily scanned with this affordable flatbed scanner. Crisp, clear and vibrant images are what you get with up to 1200 dpi optical resolution, 48-bit colour and CCD technology.

hassle-free scanning

The HP Scanjet 3670 is simple and fun to use. Three one-touch buttons let you scan, copy and launch HP Instant Share™ with no hassle at all.

HP Instant Share™

The user-friendly HP Instant Share™ software lets you send image-rich e-mails to friends and family without the usual attachments or slow downloads.
