4200 • 4200n • 4200tn • 4200dtn
4200dtns¹ • 4200dtnsl¹

Increase your workgroup productivity by using the high-performance HP LaserJet 4200 printers. Use any printer in the series to print even your largest volume jobs quickly (with print speeds 35 ppm letter and up to 33 ppm for A4). And, with a wide range of optional accessories, you can customize the printer to fit the ever-changing needs of your workgroup by adding networking and a variety of paper-handling and finishing accessories.

performance

- fast printing increases office productivity—maximize efficiency with ultra-fast printing up to 35 ppm for letter-sized documents and 33 ppm A4-size paper
- get quick return to application and fast printing of complex documents—powerful printing with no slowdowns using the 300 MHz processor and 48 MB RAM (64 MB RAM in bundles)
- printing delivered when you need it—no warm-up time with an instant-on fuser that prints first page out in under 8.5 seconds

versatile

- deliver business-quality documents at full speed—even at the printer's fastest speed, you can print sharp, clear documents using the best print quality of 1200 dpi
- flexible paper handling reduces user intervention—customizable options allow up to a 2,600-sheet input capacity, a duplexer for two-sided printing (optional on 4200, 4200n, 4200tn models), or a 500-sheet stapler or stapler/stacker as your paper-handling needs grow
- print on the media you need to run your business—supports a wide range of international media sizes for global businesses including letter, legal, A4, A5, B5 and custom sizes
- powerful workgroup solution—share fast, reliable printing with the available hp jetdirect 615n Fast Ethernet internal EIO print server, with 4.5 MB/sec network throughput and best-in-class security features; the optional EIO interface can also be used with many partner solutions within virtually all network environments

easy-to-use

- save time with remote management—an embedded Web server (optional on 4200 model) provides direct access to the printer on the network and allows full control to remotely configure device settings and e-mail alerts, monitor status, and diagnose device problems
- intuitive technology makes troubleshooting quick and easy—four-line graphical control panel with Help features makes problem resolution easy and fast
- simple operation and paper loading—paper-size sensors and easy-to-load trays without troublesome corner tabs make adding and changing media effortless

HP printing and imaging systems help you create powerful, professional communications easily. Printers, supplies, accessories, and services are designed together to work together to meet your business needs.

hp LaserJet 4200 printer series

hp 4200dtn shown

300-sheet output capacity
(250-sheet face down, 50-sheet face up)

optional 1,500-sheet input tray for a maximum input capacity of 2,600 sheets

supports international media sizes including letter, legal, A4, A5, B5 as well as custom sizes

graphical control panel for ease-of-use, supplies maintenance, and convenience

share fast, reliable printing with the available hp jetdirect 615n EIO print server (optional on 4200 model)

two flexible EIO interfaces can also be used with many partner solutions within virtually all network environments

12,000-page print cartridge for lower user intervention

two-sided printing with automatic duplexer unit (standard on 4200dtn, dtns¹, and dtns¹)

series highlights

- fast black-and-white printing—35 ppm for letter-size documents and 33 ppm for A4-size documents
- immediate, high-quality printing—first page out in under 8.5 seconds with up to 1200 dpi resolution
- robust processing handles the most complex documents—all printers come with a 300 MHz processor and 48 MB RAM (64 MB RAM in bundles)
- increases workgroup productivity—share fast, reliable networking via hp jetdirect 615n Fast Ethernet internal EIO print server (optional on 4200 model)
- easy media handling—with paper-size sensors and easy-to-load trays
- customizable options—add additional media trays and networking features, or for additional flexibility consider a 500-sheet stacker or a 500-sheet stapler/stacker

hp LaserJet 4200 series at a glance

hp LaserJet 4200

- 48 MB RAM
- 300 MHz processor
- two flexible EIO interface slots
- 100-sheet multipurpose input tray
- 500-sheet input tray (media capacity 600 sheets)
- 50-sheet face up output tray
- 250-sheet face down output tray

optional accessories

- 500-sheet input paper tray
- 1,500-sheet input paper tray
- auto-duplex unit
- hp jetdirect 615n Fast Ethernet internal EIO print server
- additional RAM (up to 416 MB)
- 75-sheet envelope feeder
- 500-sheet stacker
- 500-sheet stapler/stacker
- printer stand with storage cabinet

hp LaserJet 4200n

all of the features of the 4200 model plus:

- 16 MB additional RAM (64 MB total)
- hp jetdirect 615n internal EIO print server
- embedded Web server

hp LaserJet 4200tn

all of the features of the 4200n model plus:

- additional 500-sheet input paper tray

hp LaserJet 4200dtn

all of the features of the 4200tn model plus:

- auto-duplex unit

hp LaserJet 4200dtns¹

all of the features of the 4200dtn model plus:

- 500-sheet stacker

hp LaserJet 4200dtns¹

all of the features of the 4200dtn model plus:

- 500-sheet stapler/stacker

intelligent printing for maximum productivity

powerful performance

Busy workgroups demand fast, accurate printing that won't hold them up. The HP LaserJet 4200 series printers print even your most complex business documents both quickly and professionally.

Use any model in the series to:

- increase productivity—fast print speeds, less than 8.5-second first page out, and a quick return to the print job's application eliminates printing slowdowns and increases your uptime
- produce professional-quality documents every time—you don't have to sacrifice speed for quality, print up to 1200 dpi while still printing at full speed
- maximize media flexibility—customize your printer to deliver the paper-handling versatility you need today with the knowledge that as your business requirements change, expandable options allow the printer to always fit your input and output needs
- share your printer over the network—the hp jetdirect 615n internal EIO print server (optional on 4200 model) with 4.5 MB/sec throughput and best-in-class security features
- keep on top of the latest printing services—access new printing services by running downloadable Java-based programs using the Embedded Virtual Machine
- deliver faster processing of original prints—using the RIP-once, print-many capabilities

worry-free printing

The last thing you need to think about is your printer. All you're looking for is a printer that can easily attach to your network and handle a busy workload. The HP LaserJet 4200 series printers do just that and more. Here are some of the features that allow you to concentrate on your business, not your printer:

- handles heavy workloads—a robust, 150,000 page-per-month duty cycle, made possible with the industry's most reliable engine, means you can print large volumes of documents every day without worry
- works with your network—the flexible EIO interface can be used with many partner solutions within virtually all network environments
- easy management of your peripherals—with hp web jetadmin software, management is easy and convenient using a common Web browser; this software makes remote installation, configuration, and proactive management of your network peripherals simple and efficient
- problem-solving features—troubleshooting the hp LaserJet 4200 series printers is made simple with the four-line graphical control panel with multiple animated "help" features
- reduce maintenance time and costs—with user-replaceable maintenance kits a technician is no longer required, kits are as easy to install as a print cartridge and no tools are required
- smart print technology—using hp smart technology that only comes from hp supplies, you're ensured consistent print quality from start to finish of the cartridge—no shaking needed

the hp supplies advantage

HP offers a wide range of media options for all of your professional output. And because we design our media and LaserJet cartridges to work together with HP printers, you're guaranteed the award-winning results that only come from Hewlett-Packard.

award-winning support from hp

HP provides you with a variety of support options to assist you in the setup and maintenance of the HP LaserJet 4200 printer. Use HP's expert knowledge to help you make the most of your printer and ensure your equipment is running at peak efficiency. Start with a one-year limited warranty backed by free telephone support from the award-winning HP Customer Care. To further guarantee trouble-free operation, to maximize the potential of your HP LaserJet printer, and to customize the printer for your unique business profile, consider upgrading service and support options such as installation, advanced maintenance, and post-warranty support.

maximize your returns with hp services

HP offers a comprehensive set of services and acquisition options that provide predictable cost structures and business efficiency gains—financing, user training, deployment strategies, regularly scheduled supplies and printer maintenance, and complete hardcopy environment management are available through HP Consulting, HP Outsourcing, HP Support, HP Education, and HP Finance. To find out more information go to the HP Services Web site at www.hp.com/hps

technical specifications

hp LaserJet 4200 series printers

general features

Print resolution technology: REt, UltraPrecise toner, HP ProRes 1200 (1200 x 1200 dpi), HP FastRes (1200 dpi print quality)
Processor: 300 MHz; 48 MB RAM (64 MB in bundles)

print performance

Print speed*: 35 ppm (letter), 33 ppm (A4)

First page out: under 8.5 seconds

Print management: HP Web Jetadmin, HP LaserJet Utility, embedded Web server

* exact speed varies depending on the system configuration, software program, and document complexity.

media handling

Media sizes: letter, legal, A4, A5, B5 and custom sizes
Media types: paper: plain, letterhead, pre-punched, bond, color, preprinted, recycled; transparencies; labels; envelopes; card stock; user-defined

Media weight: Tray 1: 16 to 53 lb

Tray 2, 3 or 4: 16 to 32 lb

Standard: 100-sheet multipurpose tray 1: 3 by 5 in to 8.5 by 14 in;

500-sheet tray 2: 5.8 by 8.3 in to 8.5 by 14 in

Optional: 500-sheet tray 3: 5.8 by 8.3 in to 8.5 by 14 in; 1,500-sheet tray 4: letter, legal and A4 only; 500-sheet stacker: 5.8 by 8.3 in to 8.5 by 14 in, weight: 16 to 32 lb; 500-sheet stapler/stacker: 5.8 by 8.3 in to 8.5 by 14 in**, weight: 16 to 32 lb; automatic duplex unit: letter, legal, A4, Executive, B5(JIS) and A5, weight: 16 to 32 lb; 75-sheet envelope feeder Monarch #7#, Commercial #10, DL ISO, C5 ISO, weight: 20 to 28 lb Maximum input capacity: 2,600-sheet

**note: all sizes can be stacked but only letter, legal and A4 can be stapled

duty cycle

150,000 pages per month maximum

connectivity

Languages: HP PCL 6, HP PCL 5e, HP PostScript® 3 emulation, HPG/L/2

Operating systems supported: Microsoft® Windows® 98, Me, NT 4.0, 2000, XP, XP 64-bit; Apple Macintosh OS 8.6 to 9.xx and 10.1 or greater; optional: UNIX®, Linux, IBM OS/2

Network operating systems supported: Microsoft Windows 98, Me, NT 4.0, 2000, XP, XP 64-bit; Novell

NetWare 3.2, 4.2, 5.x, 6; Apple Mac OS 8.6 and later; Red Hat Linux 6.x and later; SuSE Linux 6.x and later; HP-UX 10.20, 11.x; Solaris 2.5x, 2.6, 7, 8 (SPARC systems only); IBM AIX 3.2.5 and later; MPE-iX

Interfaces: IEEE 1284-compliant parallel interface port, 2 open EIO slots

environmental ranges

Operating temperature: 50 to 90° F (10 to 32° C)

Storage temperature: 32 to 95° F (0 to 32° C)

Operating humidity: 20 to 80% RH non-condensing

Storage humidity: 10 to 90% RH

power requirements

Source: 110 to 127 volts (± 10%)

Frequency: 50 to 60 Hz (± 2 Hz)

power consumption

Printing: 580 watts (35 ppm)

Standby: < 27 watts

PowerSave: < 25 watts

ENERGY STAR compliant

acoustics

Noise level per ISO 9296

Sound power: printing (35 ppm) LwAd 6.8 B(A), PowerSave LwAd 4.0 B(A)

Sound pressure: printing (35 ppm) LwAd 54 dB(A), PowerSave LwAd 54 dB(A)

printer dimensions (w by d by h)

Base: 16.2 by 17.3 by 14.4 in (412 by 439 by 366 mm)

HP LaserJet 4200/4200n: 16.2 by 17.3 by 14.4 in (412 by 439 by 366mm)

HP LaserJet 4200dn: 16.2 by 17.3 by 19.2 in (412 by 439 by 488mm)
