

hp color LaserJet
1500 printer series

an affordable way
to liven up your
presentations

ideal for small businesses
and home offices

**colours that will impress.
at prices that won't pinch.**

enjoy benefits of colour in the office

Nothing like colour to jazz up your documents and presentations—it makes them even more captivating and professional. Be it an inter-office memo or a complex spreadsheet, colour makes it vibrant and compelling.

When employed in marketing communications, in-house colour printing of flyers, brochures and advertisements makes your message stand out from competition and helps you communicate more effectively and efficiently. It also enhances the image and appeal of your product or service.

hp color LaserJet 1500 printer series 1500L, 1500

If colour sounds like a good idea, here's something even better: affordable colour laser printing with breakthrough ease of use, courtesy of the new HP Color LaserJet 1500 printer series. A highly cost-effective, compact and convenient way to add colour to your office and your business.

Just as easy to operate as monochrome printers, the HP Color LaserJet 1500 printer series has been designed for both individual users as well as small/home businesses looking to make a lasting impression and save money by printing their documents and communications in colour...in-house!

less waiting, more action

This versatile printer is no slouch when it comes to speed. The HP color LaserJet 1500 printer series offers first page out in as fast as 16 seconds* (black) or 29 seconds* (colour) with HP's instant-on fuser technology.

hp's instant-on fuser technology

Instant-on fuser is an innovative ceramic heating technology developed by HP. It allows the heating element to be in direct contact with the fusing cylinder and thus allows more efficient printing.

Not only does it save time, it also helps to increase durability of the components and thus lowers cost of ownership.

the perfect entry level colour laser printer

The HP Color LaserJet 1500 printer series not only prints in colour at up to 4 ppm¹, it also gives you the option of printing your regular documents in black and white at up to 16 ppm¹ (cost per page equivalent to personal black and white laser printers).

as easy as black and white printers

Using the Hi-Speed USB Port, the HP Color LaserJet 1500 printer series connects directly to your Windows® or Macintosh® computer. It also offers single-door full access to easy-to-change HP printing cartridges with the automatic top-positioning of low and out print cartridges for easy replacement.

simply prints more

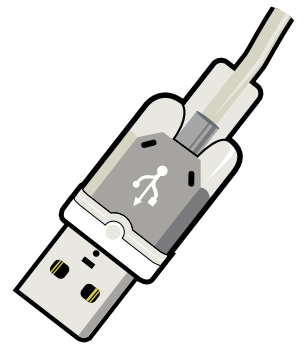

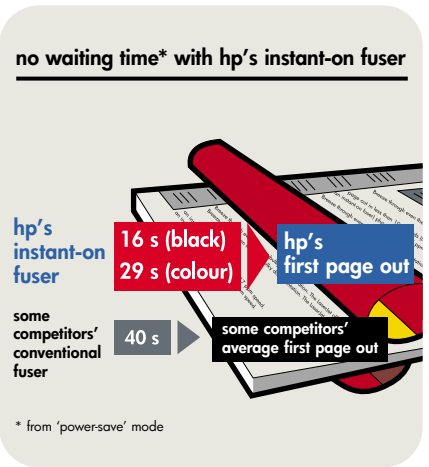

Unlike other printers which ship with less toner, the HP Color LaserJet 1500 printer series comes with high quality, high capacity HP print cartridges as standard—so you can get more for your money. You can look forward to up to 5,000[†] pages in monochrome and up to 4,000[†] pages in colour.

crisp, clear results every time

The HP Color LaserJet 1500 printer series gives you the assurance of superior print quality with sharp, clear details and a wide range of colours—courtesy of the HP's ImageREt 2400 technology and HP's chemically grown toner.

easy monitoring and management

A simple control panel helps you quickly check printing supplies status. While the innovative 'Software Toolbox' offers you comprehensive printer information (including printer status, documentation and help videos) as well as printer configuration.

USB port for hi-speed transfer of data

single-door full access to low toner cartridges

see printing supplies status at a glance on the simple control panel

¹ Exact speed varies depending on the system configuration, software program and document complexity.

* Based on 'power-save' mode.

flexibility that suit your needs

Looking to increase paper input capacity and media handling capabilities with minimum user intervention? Just slip in up to three paper trays^{††}. Want to enable printer sharing on your network? Simply add the optional HP Jetdirect external print server^{††} for secure and reliable network printing.

fits into every office environment

The HP Color LaserJet 1500 printer series is so compact and light, it can even be placed right on your desktop! This saves you valuable desktop real estate and allows greater convenience. What's more, it supports the Windows 98/Me/2000/XP and Macintosh 9.x (and higher) platforms.

hp color LaserJet 1500 printer series with optional 250-sheet 2nd paper tray^{††} and 500-sheet 3rd paper tray^{††}

^{††} Accessories sold separately.

world renowned reliability

Readers' Report Card gives HP printers one of their first-ever A+ rating and rate top grade for reliability and customer satisfaction for the 11th straight year. (August 2002 PC Magazine)

compact design that fits nicely on your desktop

designed together to work together for optimal results

HP printers and printing supplies are designed together to work together as a system, to give you great print quality every time you print. This printing system depends on the sophisticated technology and intricate physics in the HP LaserJet print cartridge and toner. With 70 percent of the print system's critical components in the print cartridge, if you are not using HP printing supplies, you are not getting HP printing.

technical specifications—hp color LaserJet 1500 printer series

print speed			
document type	plain paper	greyscale	
Black A4	up to 16 ppm ¹	up to 16 ppm ¹	
Colour A4	up to 4 ppm ¹		
First page out black:	16 secs from "Ready" and "Standby" ¹		
First page out colour:	29 secs from "Ready" and "Standby" ¹		
processor	150 MHz, Oak OTI-4110		
memory	16 MB, no additional memory required using Memory Enhancement technology (MEt)		
print technology	4-pass colour laser printing technology		
print resolution	HP ImageREt 2400		
economical printing	Manual duplexing, N-up printing (multiple pages per sheet)		
languages	Host-based (Windows® and Macintosh®)		
print margins (A4)	Top: 4.2 mm, left: 4.2 mm, right: 4.2 mm, bottom: 4.2 mm		
duty cycle	Up to 30,000 pages per month		
media handling			
input	capacity	weight	size
Tray 1:	125 sheets, 50 transparencies, 10 envelopes	60 to 177 g/m ²	minimum size: 76 x 127 mm, maximum size: 216 x 356 mm
Tray 2*:	250 sheets	60 to 105 g/m ²	A4, Letter, Legal, Executive, A5, B5 (JIS/ISO), 8.5" x 13"
Tray 3**:	500 sheets	60 to 105 g/m ²	A4, Letter
Output:	125 sheets, 50 transparencies, straight through paper path	60 to 105 g/m ²	A4, Letter
Duplex printing:	Manual (driver support provided)		
Media types:	Paper (plain, letterhead, prepunched, recycled), transparencies (printed in greyscale), envelopes, labels, cardstock.		
	*Standard with the HP Color LaserJet 1500 printer		
	**Optional—tray 2 must be installed to add tray 3		
interface and connectivity	Standard: 1 Hi-Speed USB port Optional: HP Jetdirect external print servers: HP Jetdirect 175x external print server for Ethernet/Fast Ethernet, HP Jetdirect 310x external print server for Ethernet/Fast Ethernet, HP Jetdirect 380x 802.11b external wireless print server		
operating systems compatibility	Microsoft® Windows® (98, Me, 2000, XP (32-bit)), Mac® OS (9.x, OS X) Current drivers and software are available from the internet.		
minimum system requirements	Windows®: Microsoft® Windows 98, Me, 2000: Pentium® 166 MHz with 32 MB RAM; Microsoft Windows XP: 233 MHz processor with 64 MB RAM; 150 MB free hard disk space, CD-ROM drive, USB or Hi-Speed USB systems and cables Macintosh: Mac® OS 9.x, OS X; 150 MB free hard disk space, CD-ROM drive, USB or Hi-Speed USB systems and cables		
control panel	Simplified control panel with LED lights for printer status, status of each print cartridge (CMYK) and the imaging drum; "Rotate Carousel" button, "Cancel Job" button, "Go" button		
printer management	HP Color LaserJet 1500 Toolbox, HP Web Jetadmin, HP Printer Status and Alerts		
power requirements	220 V model: 220 to 240 V (+/-10%), 50/60 Hz (+/-2 Hz), 6 amps; 110 V model: 115 to 127 V (+/-10%), 50/60 Hz (+/-2 Hz), 12 amps		
power consumption	220 V model (maximum): 0 watts (off), 31 watts (ready/standby), 403 watts (printing); 110 V model (maximum): 0 watts (off), 30 watts (ready/standby), 400 watts (printing)		
dimensions (w x d x h)	Out of package: HP Color LaserJet 1500L printer: 482 x 451 x 325 mm, HP Color LaserJet 1500 printer: 482 x 451 x 376 mm		
product weight	Out of package: HP Color LaserJet 1500L printer: 21.5 kg (with supplies), HP Color LaserJet 1500 printer: 23.9 kg (with supplies)		
operating environment	Environmental ranges: operating temperature: 15 to 32.5° C; operating humidity: 10 to 80% RH; recommended operating humidity: 20 to 70% RH; recommended operating temperature: 20 to 27° C; storage temperature: -20 to 40° C; storage humidity: 0 to 95% RH; noise level per ISO 9296: sound power LWA: 6.7 B(A) printing, 0 B(A) standby; sound pressure LpA: 52 dB(A) printing, 0 dB(A) standby		
ENERGY STAR	Yes		
certifications	Technical Regulations: Carries CE marking for EU & EFTA countries (Compliant to Low Voltage Directive 73/23/EEC/EMC Directive 89/336/EEC, Class 1 Laser/LED). For additional details, see Declaration of Conformity. Further compliances include USA FCC/UL, Russia GOST, Poland B-Mark, Czech Republic (CSN*), Estonia (EEl*), Hungary (MEEI*), Lithuania (LS*), Slovakia (STN*), Slovenia (SQI*), South Africa (SASB*) (*=IEC 60950, IEC 60825); Voluntary Certifications: TÜV-GS approved; EPA ENERGY STAR compliant		
warranty	1 year standard warranty. Warranty varies according to countries. Please check with your Hewlett-Packard sales office or your nearest HP authorised dealer for details.		

ordering information

Q2488A	hp color LaserJet 1500L printer, hp color LaserJet print cartridges (black up to 5,000 pages*; cyan, yellow, magenta up to 4,000 pages*), one hp color LaserJet imaging drum, getting started guide, printer software and user guide on CD-ROM, power cord, tray 1: 125-sheet multipurpose feeder hp color LaserJet 1500 printer, includes same as above plus: tray 2: 250-sheet input tray
