

HP's mobile colour printer that offers excellent printing performance anytime, anywhere.

high performance mobility

- the ultimate mobile printer with its lightweight and sleek design – fast charging lithium-ion battery means that you are ready for action anytime
- long-lasting print cartridges with ink backup mode ensure enhanced printing capability even during long haul business trips
- optimal durability – designed to withstand the rigours of travel

flexible connections

- enjoy flexible connections with optional wireless Bluetooth™ card, fast infrared, through parallel or USB connection¹ for seamless printing from mobile devices such as notebooks, PDAs and mobile phones
- prints images from CompactFlash™ cards directly without additional cables or a PC

professional photo-quality

- hp photoREt 4 colour layering technology with optional 6-ink² colour printing delivers virtually grain-free images and true-to-life colours
- up to 4800 optimised dpi in colour³ and rich black text
- print longer lasting photos with specially formulated hp fade-resistant inks and photo papers

¹ may require optional cables and attachments

² separate purchase of hp 58 photo print cartridge required

³ up to 4800 x 1200 optimised dpi colour printing on hp colourfast photo paper and 1200 x 1200 input dpi

hp deskjet 450 mobile printer
