

full-featured multi-function printer

hp LaserJet 3300 series created for home and office professionals

Designed for small businesses and home offices, the HP LaserJet 3300 series is a full-featured multi-functional printer that delivers outstanding laser printing, digital copying, digital colour scanning and standalone faxing capabilities (for HP LaserJet 3330mfp* only). With HP LaserJet 3300 series, users can eliminate the need for multiple machines and yet achieve business productivity and professionalism.

The HP LaserJet 3300 series is ideal for:

- small businesses
- home offices

A reliable multi-functional printer, the HP LaserJet 3300 series is recommended for home and business users who are looking for professional black and white laser print quality and the cost efficiency of a multi-functional printer.

* Available in some Asia Pacific countries only. Kindly check with your local Hewlett-Packard sales office or your nearest HP authorised dealer for availability.

multi-functional performance

- HP LaserJet 3300 series allow users to print, fax, copy and scan (standalone fax capability is available on HP LaserJet 3330mfp* only) from a single device

fast print speed & superior print quality

- HP LaserJet 3300 series produces crisp, clear and professional-looking documents at an efficient speed of up to 14 ppm (A4 size)/15 ppm (letter)
- first page out in less than 10 seconds with hp instant-on fuser technology

The True Resolution Enhancement technology produces a resolution of 1200 dpi laser print. The dual polymer toner and improved sensitivity in the photoconductor (OPC) enable the HP UltraPrecise print cartridges to produce clarity needed for 1200 dpi halftone images, smooth grayscales and fine details

excellent scan and copy output

- walk-up digital copying generates up to 14 cpm (A4 size)/15 cpm (letter) at a resolution of 600 x 600 dpi enhanced with edge detection technology. Options include reduction or enlargement of copies (25% to 200%). It has the capacity to handle 1 – 99 copies with automatic collation
- the flatbed scanner scans areas ranging from 2 x 3.5" (51 x 89 mm) to 8.5 x 35" (216 x 991 mm) with a resolution of 600 ppi colour. It has a storage capacity of up to 300 pages and the option of black-and-white scanning or colour scanning

productive fax capability

- fax copies can be transmitted at 3 seconds-per-page with G33.6 Kbps modem at a resolution of 300 x 300 dpi (available for HP LaserJet 3330mfp* only)

Productivity features include automatic dialing, distinctive ring detect, delay send and quick dialing of up to 250 (base), 275 (se/m) speed dials, 225 group dial numbers and 10 one-touch front panel keys. Resolution options include standard, fine and superfine. Fax compatibilities include the Super G3 (IUT Group 3) and ECM

HP LaserJet 3330mfp* includes a 50-page automatic document feeder* (ADF) input tray and a 33.6 Kbps modem that facilitates faxing needs

* Available in some Asia Pacific countries only. Kindly check with your local Hewlett-Packard sales office or your nearest HP authorised dealer for availability.

affordability

- its compact size helps businesses to save office space and rental costs and is highly recommended for space-conscious individuals
- low cost-per-page results in savings for users—the HP UltraPrecise print cartridges print more than 2,500 pages each. The optional high-capacity cartridge prints up to 3,500 pages

reliability

- HP LaserJet 3300 series has a duty cycle of 10,000 pages-per-month which ensures reliability of the printer
- the 90 MHz processor and 32 MB RAM ensure smooth processing of print jobs

user-friendly

- simple to set-up, easy-to-handle supplies and one-year warranty* ensure worry-free printing particularly for businesses without large IT resources
- fewer supplies to manage and support means reduction in costs and maintenance requirements
- HP LaserJet 3300 series allows efficient multi-tasking—users can send or receive faxes, scan or copy without having to wait for other print tasks to be completed, thus ensuring uninterrupted workflow and work productivity
- it provides convenience to users as they only need to stock one set of consumables, learn one set of instructions and load one set of software
- the user-friendly software (HP document director software), USB and parallel connections ensure that the device will operate efficiently
- the copy, scan and fax buttons on the front panel are intuitive and easy to operate

* Warranty varies according to countries. Please check with your local Hewlett-Packard sales office or your nearest HP authorised dealer for details.

versatility
