HP Photosmart 325
Compact Photo Printer

Now you can print a 4R photo – wherever you are, whenever you wish. With the printer's colour graphic display and integrated memory card reader, it's easy to view and print – directly from your memory card. Printing a 4R photo takes just 60 seconds[1] for fast photo enjoyment. And with its ultra-compact design and optional battery pack, this portable photo printer makes the perfect travelling companion too.

True-to-life 4R photos

- **4R photo printing** – With borderless photo printing, each 4R photo is ready to be inserted into photo albums, frames and more.
- **60 seconds photo printing[1]** – One minute is all it takes to print a beautiful 4R photo.
- **4800-optimised dpi[2]** – Reproduce every detail in your high-resolution digital photo – excellent for image files of up to 1200 x 1200 dpi.
- **Photos that last for generations[3]** – With HP Premium Plus Photo Paper, High gloss, each photo resists fading longer than traditionally processed photos.

Print photos on the go

- **Compact and lightweight** – Weighing less than 1.3 kg without batteries, this compact photo printer is the perfect travelling companion for your digital camera.
- **Optional battery pack[4]** – Insert the battery pack into the built-in battery bay and enjoy photo printing anywhere. Now you can shoot and print photos during picnics at the park or at a beach outing.

Select and print photos without a PC

- **1.5"colour graphic display** – View, select and print photos easily with the integrated LCD panel.
- **Multi-slot memory card reader** – Supports CompactFlash™ Type I and II, SmartMedia™, Memory Stick®, Secure Digital™/MultiMediaCard™ and xD-Picture Card™.
- **PictBridge compatibility** – Connect a PictBridge compatible digital camera to the front mounted USB port and print.

Print wirelessly from Bluetooth® devices[5]

With the optional HP bt300 Bluetooth® Wireless Printer Adapter, you can enjoy the convenience of wireless photo printing. Just shoot with your Bluetooth® enabled camera phone. No wires or PC needed.

Exclusive and friendly HP Image Zone Software

An easy-to-use and complete software solution that helps you organise, edit and enhance your digital photos. Organise all of your photos into favourite categories using key words or view the images according to the month they were uploaded. Also includes fun and simple photo editing features for easy red-eye removal, colour adjustments and more.

Built-in colour graphic display for easy viewing and printing of photos without a PC
